

Salvation Stories

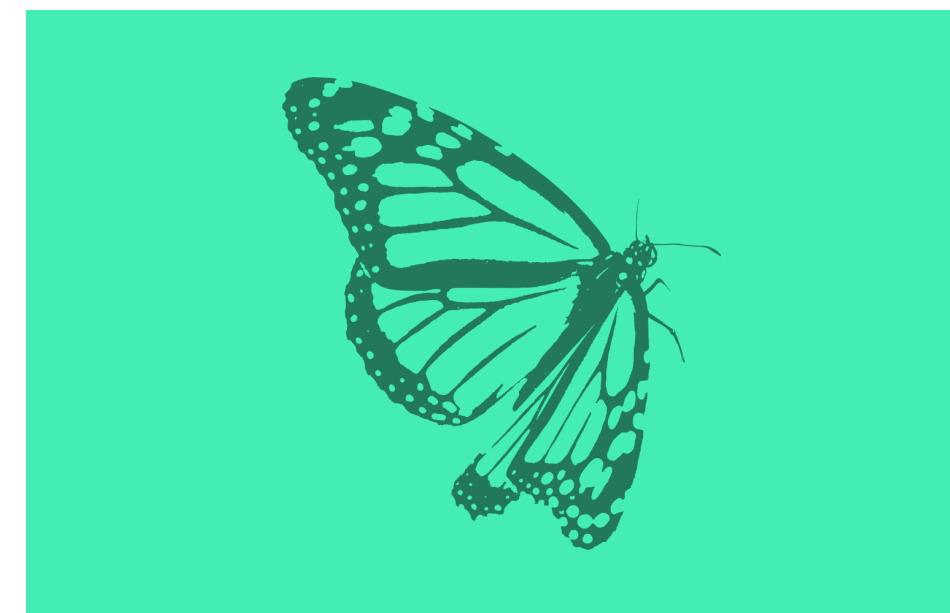

SALVATION IS A "BEFORE AND AFTER" EVENT!

I am a young man aged 27 who lives in Punjab, Pakistan. I was raised by relatively secular humanistic parents of Pakistan. My Father is Roman Catholic, he is running a ministry which is working for Orphan kids, helping the widows, supporting and helping the community here in different ways and my Mother Anglican. I had always prayed since childhood, especially before meals, a few times before going to bed, or even invoked the name of the Lord when I felt suppressed by an evil force at night. Yes a few times in my teens I felt like a satanic force was beside me and I would invoke the name of Jesus. I guess I am saying I always had some kind of faith that Jesus was Lord from an early age. However my living was that of an unbeliever. I was raised in helping people, reading the bible and serving the God but here in my community we had a traditional Christianity which meant prayer was just when you were in trouble, needed to pass exams, that sort of thing. The people here spend their lives in a way that is indulgent and sinful. From the teenage years I want to bring these people up from these sinful lives. When I grew up God gave me a chance to bring one family to God from Hindu community. It was the time I was so thankful to God that he used me to bring this family to you. I go every day to them and share the words of the bible, I tell them the bible stories and testimony how God loves us and how he is with us in every problem. They were living in pure sin and they seemed to be an occult activity in their life. After bringing that family to God. I turned to the Lord for help and he guided me and helped me to bring more families to him. The people here were feeling lost, sinful, separated from God and spending their lives in darkness. I start working more in this community. I face many problems in my life but don't stop.

Now by the blessing of God we have won many lives, many have confessed their sins; many have given their hearts to God. Many have professed faith in him. We have brought many sinful lives to God and they have saved their lives now they are living a good and blessed Christian life. I tell people his name is wonderful, he is peace, love and joy.

Statement of Faith: Word of God

We believe the Bible to be the Word of God. It is quite the same to date as it was revealed. We all resort to it in every matter of our social, economic and spiritual life.

God

We believe in one true God who is Alpha and Omega and is present in three equal persons of one essence Father, Son and the Holy Spirit.

Jesus Christ

We believe that Jesus Christ is the Son of God. He was born of a virgin. He shed his blood as a substitution sacrifice. He died for the redemption of Man. He was resurrected on the third day. Presented, he is exalted on the right hand of God, the Father.

Original Sin

We believe that Adam was the first man on the Earth. He was created in the image of God. He succumbed to the temptations of Satan faced an eternal downfall. This caused all the men totally depraved who need to be regenerated by the Holy Spirit for salvation.

Salvation

Salvation is the only outcome of grace through faith in the substitutionary atonement of Christ, his holy blood on the cross. This affects Man's redemption from sin and reconciles him to God Almighty.

The Church

We believe that the Church (the body and the bride of Christ) consists of all those who are born by the spirit into Christ.

Return of Christ

We believe that the return of Jesus Christ is imminent, and will be both physical and spiritual.

Commission

We believe that God has commissioned the church to go into the whole world and proclaim the gospel to every creature, baptizing, teaching and making disciples.

I believe I'm touched by Jesus Christ and he has chosen me for spreading his gospel and bringing back many souls to him. I had sweet assurance I'm in His loving care. Praise the Lord.

In Christ,
Nirmal
