

# Salvation Stories

**SALVATION IS A "BEFORE AND AFTER" EVENT!**

I testify the goodness of God, who is the head of my life, the lover of my soul, and the provider that no man can touch. I pray that this testimony will touch someone's life and that it will bring the fruits of salvation, healing and deliverance.

I am writing this not to share about me but I am writing this to share about the power of Jesus Christ because Jesus is alive yesterday, today and forever he shall do miracles.

I was born and grew up in Hindu Family. When I was 5 I was about to go to school. I heard some noise of shooting guns, bombs etc. That sound was from the south side of my village & I heard that the terrorist and soldiers fight was going on and everyone shut the doors and stayed inside the house. That day was the first darkness / black day of my life. I saw that many people died and were injured by that war and I was so scared in my life.

Doubts / Questions began to arise in my life.

- Where is God? ● Who is God? ● Who can save me from death?
- How can I get peace myself?"

One day when I was 12 I heard some great things through radio programme;

\* "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." [John 3 :16]

\* Jesus said "I am the resurrection and the life. Whoever lives by believing in Me will never die. [John 11:26]

When I was 15 my parents started going to church and they took me also. I learned many things at church and I heard the word of God but my spirit was without faith. I attended continuously for 1 year and In started knowing the truth.

# Salvation

I got answers to so many questions & I feel very happy to go to church.

My life was full of mess before Christ. I had so many bad habits in me like drinking, smoking etc. I smoke more than 25 cigarettes & 7 bottles of wine a day. I decided many times to kill myself because I was failed in all things. But God's desire is different from mine.

January 2015 God selected me in a choir group from my church and I started singing His praise and worship. I was not able but mercy and love of Jesus has poured upon me. I give thanks to God for his glory in my life. I started praising and worshiping Him and I was totally changed. God made me a new creature in Christ. His word said in 2 Corinthians 5:15 Therefore if any man be in Christ, he is a new creature: old things have passed away; behold all things have become new."

I started preaching on cell group ministry at Church. I was very curious to share the gospel of Jesus Christ every moment of my life. I give thanks to God for giving me the knowledge and wisdom to share the word of God.
