

Salvation Stories

SALVATION IS A "BEFORE AND AFTER" EVENT!

It's the greatness of God that I have got this beautiful privilege to share about my salvation story, before and after receiving Christ Jesus as my personal Saviour to you.

I am born and brought up in a Christian family. Being a Christian Child it was mandatory for me to attend Sunday School and Sunday Church Service regularly.

Honestly Saying, I used to attend Sunday school and Sunday Church service to make my parents happy as well as not to be accused by the Church leaders

My parents and Church leaders hardly knew my spiritual status. I never focused to build my relationship with my Saviour Jesus Christ. I was leading secular life like gentiles.

I was very much aggressive and disobedient child of my parents. They were so much worry about me. I couldn't keep myself unfocused from Christ for long time. As it is written in the Bible (Deuteronomy 7:6) The Lord Your God has Chosen You Out Of all the Peoples On the face Of Earth to be His People, His treasured possession.

I got to Know Christ Jesus as my Personal Saviour by my pastor when he preached that, God loves me so much that He sent His only son to die on the cross for my sin. So that I can be saved(John 3:16). No one loves me like Jesus.

This message turned my life. I got very emotional and touched by his preaching. That very day I received Jesus Christ as my personal Saviour and submitted my life to His hand. As a result my life got changed drastically.

I started building my relationship with Christ. It's a great experience to live life for Christ which can't be explained. Living life for Christ gives you such a joy which is beyond imagination.

was it

Day by day I have been knowing Him more and more. My Joy is the Holy spirit's guidance in my daily life as He has been making me spiritually more powerful and drawing me close to God. The Holy Spirit has been helping me to be more effective and useful for His kingdom.

Thank You!

1. God has given me burden to work for His Kingdom that's why We (Me and my wife) left our Job what we had been doing in secular Field and Shifted to a new place. God led us to begin doing ministry here.

2.I have got to know the love of God. Now it's my duty to make others know about the love of God and show them through my life. So that others can be saved and lead happy life.

Salvation

3. The Holy spirit has revealed me that in coming days God is going to use me more effectively and greatly for His kingdom.

Many people are there among the Christian or non-Christian those who still do not know about the work and power of Holy Spirit. I must tell them.

4. Right now I have been leading house fellowship and working among the adults, youths so that they turn their direction towards Christ. Helping children academically as well as spiritually.

Apart from that God has given me burden to work among the widows, beggars, orphans. So praying for that.

Thanking you!!
