

## Why should I know about your God and what is special in Him?

My dear friend. Thank you for your question which allows us to explain **why Jesus Christ is so special!** Jesus Christ, Himself is God the Son, Son of God the Father: - John 14:6 Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through Me. John 14:6. Now, of course, He was either telling the truth or He was lying.

Jesus Christ offers eternal life to the person who places their trust in Him as their Savior.

Death is NOT a theory. Death is a fact. What happens after we die is fixed. Death forever confirms EACH PERSON'S THEORY or BELIEF SYSTEM of what happens after death. The moment one dies the theory or belief system will be confirmed to be true or false. Additionally, it is forever fixed!

Jesus declared mankind was created by God and has an eternal soul and an eternal dwelling place after death.

If the words of Jesus Christ are true, you are in grave danger if you do not know Him as your Lord and Savior.

Jesus walked on earth for 33 years bringing about many supernatural proofs that He truly is the Son of God. Thousands of witnesses confirmed exactly what Nicodemus, the renowned rabbi / teacher of Israel, declared: - John 3:2 "Rabbi, we know that You [Jesus Christ] are a teacher come from God; for no one can do these signs that You do unless God is with him."

When you read my message you may find something stirring in your heart. This "stirring / warming" of your heart is the Holy Spirit of God giving witness that Jesus Christ is the Son of God and that He voluntarily submitted to mockery, shame, torture and final crucifixion by those who hated Him. He is pulling on your reasoning and your emotions to declare, 'Dear Eternal Soul, death is certain. Where you spend all eternity, either heaven or hell, depends on what you believe to be true about me.'

When you feel and recognize this "stirring in your heart", you will be forced to make one of the following two choices:

1. Yes, this must be true!
2. This is ridiculous! I can't believe I wasted a few minutes of precious life reading such nonsense!

With whatever choice you make, please, if you will be so kind, [message](#) us back with your decision.

If it is, Yes, No. 1, we will be pleased to correspond with you to answer all the questions you have about Jesus Christ. Because Jesus Christ loves you, He wants you to be forever in heaven with him after your death.

Because we love Jesus Christ, that same love is begotten in our hearts for you, so we will do all in our power to tell you why we and millions of beautiful eternal souls love Jesus with all our hearts.

We send this note to you wrapped in the deepest love for Jesus Christ and all people -
