

Salvation Stories

SALVATION IS A "BEFORE AND AFTER" EVENT!

Salvation Story: Maria Jannat

I. Before I Accepted Christ

Before meeting the sisters from the WIFM Women's Outreach, my life was defined by the typical pressures of a college student in Bangladesh. I was focused on my studies, my future, and following the traditions I had always known. While I was busy with my education, there was a part of me that felt a quiet void, a need for a deeper peace that my routine couldn't provide.

When I first encountered the outreach team on campus, I was drawn to their kindness. They didn't pressure me; they simply offered a "**Come and See**" invitation to a "Salvation Story" lunch. I attended out of curiosity, not knowing that my entire world was about to change.

II. How I Surrendered to Jesus Christ

The turning point didn't happen in a large crowd, but in a quiet, personal moment. During a follow-up visit after the campus event, the team shared the "**Red Letters**" videos with me.

As I watched and listened to the actual words of Jesus, something broke inside me. It was no longer just a story or a foreign religion; it felt as if He was speaking directly to

my soul, calling me by name. In that one-on-one setting, the weight of His love and the truth of His sacrifice became undeniable.

With a heart full of emotion, I officially confessed **Jesus Christ as my Lord and Savior**. In that moment, the darkness of uncertainty was replaced by the light of His grace.

III. My Present Life

Today, my life now has a new purpose and a joy that I never thought possible. I am currently:

- **Deepening my faith:** I am actively participating in group studies through the Book of John, learning what it truly means to walk with the Risen Christ.
- **Finding Community:** I love attending the "Salvation Story" lunches, where I can grow alongside other women and celebrate our shared hope.
- **Growing in Boldness:** I am praying for the courage to stand firm in my faith on campus and to be a witness to my fellow students.

I am so grateful for the **Tabitha Outreach** and the faithful partners who brought the Gospel to my campus. My walk with Christ has just begun, and I am excited to see the harvest He will bring through my life.
